

KRISHIGEARS B2B DEALERSHIP PROGRAM

Official Dealer Terms, Margins, and Supply Policy | GSTIN: 08EQLPD7160R1Z2

1. Dealer Margins & Commercial Returns

- Machine Margin: 15% to 22% gross margin across 7HP & 10HP power weeders and brush cutters.
- Spare Parts Margin: Up to 28% wholesale discount on genuine replacement parts & rotary blades.
- Minimum Order Quantity (MOQ): Initial batch of only 3 units to activate district dealership.
- Zero Security Deposit: No locked capital or upfront franchise fees required.

2. Logistics, Dispatch & Supply Network

- Dispatch Timeline: Fast 24 to 48 hours dispatch from Central Warehouse (Jaipur, Rajasthan).
- Transport Coverage: Surface freight coverage across all 740 districts via insured road transport.
- Delivery Tracking: Real-time Bilty and LR tracking provided upon vehicle dispatch.

3. DBT Government Subsidy & Documentation

- Testing Compliance: Models tested under SRFMTTI/FMTTI guidelines for agricultural equipment.
- Documentation: Ready commercial GST invoices, test reports, and serial number verification.
- State Portals: Full paperwork support for DBT Agriculture, MahaDBT, and e-Krishi Yantra schemes.

4. Warranty & Priority Spares Backing

- Warranty: 12-Month manufacturer warranty on engine blocks and transmission gear cases.
- Priority Spares: Same-day spare part packing and dispatch to prevent machine downtime.
